ONC® SELF-ASSESSMENT EXAMINATIONS (SAEs)

Online self-assessment examinations (SAEs; sample test questions) are a great way to prepare for the ONC examination. SAEs are offered only as a self-assessment and examination preparation aid; their completion is not required to be eligible to take the ONC examination, and does not guarantee successful performance on the examination. Questions on the SAEs do not appear on the examination.

ONC exam candidates are invited to take advantage of special pricing for SAEs. Regularly, each SAE is \$35. However, you can purchase bundles of 5 SAEs for \$125 (a \$50 savings). When bundles are purchased, you will receive coupon codes for each SAE. Once you activate a coupon code, you will have 30 days of access to the SAE (until you complete the test).
